M - O - T - H - E - R

"M" is for the million things she gave me,
 "O" means only that she's growing old,
 "T" is for the tears she shed to save me,
 "H" is for her heart of purest gold;
 "E" is for her eyes, with love-light shining,
 "R" means right, and right she'll always be,
 Put them all together, they spell
 "MOTHER,"

A word that means the world to me.
 Howard Johnson (c. 1915)

The best thing to do behind a friend's back is pat it.

A smile is contagious; be a carrier.

You are the only person on this earth who can use your ability.

HAPPINESS

Happiness is like a butterfly. The more you chase it, the more it will elude you. But if you turn your attention to other things, it comes softly and sits on your shoulder.

Last week my wife and I purchased a new computer. We ran into some difficulties while setting it up so we called the customer support phone number we found in the manual. I picked up the phone and called the number. A man answered the phone and I explained the problem to him. He began rattling off computer jargon. This confused us even more. "Sir," I said politely, "Can you explain what I should do as if I were a small child?" "Okay," the computer support guy said, "Son, could you please put your mommy on the phone?"

\$20

A friend and I were standing in line at a fast-food restaurant, waiting to place our order. There was a big sign posted that read, "No bills larger than \$20 will be accepted." The woman in front of us, pointing to the sign remarked, "Believe me, if I HAD a bill larger than 20 dollars I wouldn't be eating here."

What do you get if you divide the circumference of a pumpkin by its diameter?

From the Tonite Show (4-19-04)

- Here's something interesting - a poll of college students shows more said they would rather have President George W. Bush as a roommate than John Kerry. Yeah, but then again, which one would you rather cheat off of in class? Actually, I think they'd both be nightmare roommates, don't you? Bush wouldn't know any of the answers, and Kerry would give you 2 for every question.
- British Prime Minister Tony Blair was at the White House last week. And President Bush said, for someone not from this country, his English is pretty good.

Overweight is something that just sort of snacks up on you.

"Waiter send the chef here. I wish to complain about this disgusting meal." Waiter replies "I'm afraid you'll have to wait, sir. He's just popped out for his dinner."

Dermatologist: Good News my dear, after looking through your test results I'm happy to report you will no longer be plagued by pimples.

Girl: Wow! That's great! Why?

Dermatologist: There's no more space.
