Ventriloquist

A young ventriloquist is touring the clubs and one night he's doing a show in a small town in Arkansas. With his dummy on his knee, he starts going through his usual dumb blonde jokes when a blonde woman in the 4th row stands on her chair and starts shouting: "I've heard enough of your stupid blonde jokes. What makes you think you can stereotype women that way? What does the color of a person's hair have to do with her worth as a human being? It's guys like you who keep women like me from being respected at work and in the community and from reaching our full potential as a person. Because you and your kind continue to perpetuate discrimination against not only blondes, but women in general and all in the name of humor!" The embarrassed ventriloquist begins to apologize, and the blonde yells, "You stay out of this, mister! I'm talking to that little guy on your knee."

Prayer in school? no. One nation under God? no. 10 Commandments? no. Separation of church and state? yes. Now what is it we are celebrating again?

Overtime

Smith goes to see his supervisor. "Boss," he says, "we're doing house-cleaning at home tomorrow, and my wife needs me to help with the garage, moving and hauling stuff." "We're short-handed, Smith," the boss replies. "I can't give you the day off." "Thanks boss, I knew I could count on you!"

The Wisdom of a Navajo Man

A salesman is driving toward home in Northern Arizona when he sees a Navajo man hitchhiking. Because the trip had been long and quiet, he stops the car and the Navajo man climbs in. During their small talk, the Navajo man glances curiously at a brown bag on the front seat between them. "If you're wondering what's in the bag," offers the salesman, "it's a bottle of wine. I got it for my wife." The Navajo man is silent for awhile, nods several times and says, "Good trade."

Words Women Use

FINE - This is the word women use to end an argument when they feel they are right and you need to shut up. Never use "fine" to describe

how a woman looks this will cause you to have one of those arguments.

FIVE MINUTES - This is half an hour. It is equivalent to the five minutes that your football game is going to last before you take out the trash, so it's an even trade.

NOTHING - This means "something", and you should be on your toes. "Nothing" is usually used to describe the feeling a woman has of wanting to turn you inside out, upside down, and backwards. "Nothing" usually signifies an argument that will last "Five Minutes" and end with "Fine".

GO AHEAD (With Raised Eyebrows) - This is a dare. One that will result in a woman getting upset over "Nothing" and will end with the word "Fine".

GO AHEAD (Normal Eyebrows) - This means "I give up" or "do what you want because I don't care" You will get a "Raised Eyebrow Go Ahead" in just a few minutes, followed by "Nothing" and "Fine" and she will talk to you in about "Five Minutes" when she cools off.

LOUD SIGH - This is not actually a word, but is a non-verbal statement often misunderstood by men. A "Loud Sigh" means she thinks you are an idiot at that moment, and wonders why she is wasting her time standing here and arguing with you over "Nothing".

SOFT SIGH - Again, not a word, but a non-verbal statement. "Soft Sighs" mean that she is content. Your best bet is to not move or breathe, and she will stay content.

THAT'S OKAY - This is one of the most dangerous statements that a woman can make to a man. "That's Okay" means that she wants to think long and hard before paying you back for whatever it is that you have done. "That's Okay" is often used with the word "Fine" and in conjunction with a "Raised Eyebrow."

GO AHEAD - At some point in the near future, you are going to be in some mighty big trouble.

PLEASE DO - This is not a statement, it is an offer. A woman is giving you the chance to come up with whatever excuse or reason you have for doing whatever it is that you have done. You have a fair chance with the truth, so be careful and you shouldn't get a "That's Okay."

THANKS - A woman is thanking you. Do not faint. Just say you're welcome.

THANKS A LOT - This is much different from "Thanks." A woman will say, "Thanks A Lot" when she is really ticked off at you. It signifies that you have offended her in some callous way, and will be followed by the "Loud Sigh." Be careful not to ask what is wrong after the "Loud Sigh," as she will only tell you "Nothing."

Vacuum Sales

A little old lady answered a knock on the door one day, only to be confronted by a well-dressed young man carrying a vacuum cleaner. "Good morning," said the young man. "If I could take a couple minutes of your time, I would like to demonstrate the very latest in high-powered vacuum cleaners." "Go Away!" said the old lady. "I haven't got any money" and she tried to close the door. Quick as a flash, the young man wedged his foot in the door and pushed it wide open. "Don't be too hasty!" he said. "Not until you have at least seen my demonstration." And with that, he emptied a bucket of horse manure all over her hallway carpet. "If this vacuum cleaner does not remove all traces of this horse manure from your carpet, Madam, I will personally eat the remainder." "Well," she said, "I hope you've got a good appetite, because the electricity was cut off this morning."

America will never be destroyed from the outside. If we falter and lose our freedoms, it will be because we destroyed ourselves.
