The customs and traditions of using eggs have been associated with Easter for centuries. Different cultures have developed their own ways of decorating Easter eggs. Crimson eggs, to honor the blood of Christ, are exchanged in Greece. In parts of Germany and Austria green eggs are used on Maundy Thursday (Holy Thursday).

What Day is Today?

Over breakfast one morning, a woman said to her husband, "I'll bet you don't know what day this is." "Of course I do," he answered as if he was offended, and left for the office. At 10:00 a.m., the doorbell rang and when the woman opened the door, she was handed a box of a dozen long stemmed red roses. At 1:00 p.m., a foil-wrapped, two-pound box of her favorite chocolates was delivered. Later, a boutique delivered a designer dress. The woman couldn't wait for her husband to come home. "First the flowers, then the chocolates and then the dress!" she exclaimed. "I've never had a more wonderful St. Patrick's Day in my life!"
