The Three Vampires

Three vampires walk into a bar. The waitress comes up to them and asks them what they'll have.

The first vampire says, "I'll have a glass of O Positive." The second vampire says, "I'll have a glass of AB Negative." The third vampire says, "I'm the designated driver. I'll just have a glass of plasma."

The waitress turns toward the bartender and yells, "Gimme two bloods and one blood lite!"

Bat Flying Blind

A vampire bat came flapping in from the night covered in fresh blood, and parked himself on the ceiling of the cave to get some sleep.

Pretty soon all the other bats smelled the blood and started hassling him about where he got it. He told them to kiss off and let him get some sleep.

However, they persisted until he finally gave in. "Okay, follow me," he said as he flapped out of the cave with hundreds of bats behind him. Down through a valley they went, across a river and into a forest of trees. Finally he slowed and all the other bats excitedly milled around him.

"Now, do you see that tree over there?" he asked.

"YES, YES, YES!" all the other bats screamed in a frenzy. "GOOD," shouted the bat, "BECAUSE I DIDN'T!"

Duck Hunting Lawyer

A big time lawyer from New York went duck hunting in Kansas. He shot a duck while it was in the air. It happen to land in a field next to where he was hunting, across a fence. A farmer was in the field with his tractor and saw it land on his side. The lawyer climbed the fence to go get the duck. As he reach for it, the farmer said. "Put that down. That's my duck." The lawyer said, "No it's not. I shot it. It's mine." The farmer said, "It landed on my field it's mine." The lawyer told the farmer that he was the best lawyer in N.Y. and he would sue him for everything he has. The farmer said in Kansas we don't sue people to settle disputes. We do by the 1,2, 3 kick.

The lawyer said. The 1, 2, 3 kick. What's that? The farmer said we kick each other until one gives up. And the one who gives up first can have the duck. The lawyer was a body builder also. He sized up the farmer as he got off his tractor. He agreed to the 1, 2, 3 kick. The farmer said. I get to go first because the duck landed in my field. The lawyer said okay. Well the farmer kicked him in the groin and the lawyer bent over in pain. Then the farmer kicked him in the nose and almost took it off. As the lawyer tried to get up, the farmer went and kicked him in the kidneys. The lawyer went down hard. He gathered all his strength and said, "NOW IT'S MY TURN." The farmer said, "Nope, I give up. You can have the duck."

Newfie Vasectomy

After having their 11th child, a Newfoundland couple decided that was enough, as they could not afford a larger bed. So the husband went to his doctor/veterinarian & told him that he & his wife/cousin didn't want to have any more children. The doctor told him that there was a procedure called a vasectomy that could fix the problem but that it was expensive. A less costly alternative, said the doctor, was to go home, get a firecracker, light it, put it in a beer can, then hold the can up to his ear and count to10. The Newfie said to the doctor, "I may not be the smartest man in the world, but I don't see how putting a firecracker in a beer can next to my ear is going to help me." "Trust me," said the doctor. So the man went home, lit a firecracker and put it in a beer can. He held the can up to his ear & began to count: 1 ...2 ... 3 ... 4 ... 5 ... at which point he paused, placed the beer can between his legs & resumed counting on his other hand.

Lipstick

According to a news report, a certain private school in Victoria, BC recently was faced with a unique problem. A number of grade 12 girls were beginning to use lipstick and would put it on in the bathroom. That was fine, but after they put on their lipstick they would press their lips to the mirror leaving dozens of little lip prints. Every night, the maintenance man would remove them and the next day, the girls would put them back. Finally the principal decided that something had to be done. She called all the girls to the bathroom and met them there with the maintenance man. She explained that all these lip prints were causing a major problem for the custodian who had to clean the mirrors every night. To demonstrate how difficult it had been to clean the mirrors, she asked the maintenance man to show the girls how much effort was required. He took out a long-handled squeegee, dipped it in the toilet, and cleaned the mirror with it. Since then, there have been no lip prints on the mirror.

Martial Arts

There was this little guy sitting in a bar, drinking, minding his own business when all of a sudden this great big guy comes in and —WHACK!! — knocks him clean off the bar stool and onto the floor. The big guy says, "That was a karate chop from Korea."

The little guy thinks "GEEZ," but he gets back up on the stool and starts drinking again when all of a sudden —WHACK— the big guy knocks him down AGAIN and says, "That was a judo chop from Japan."

So the little guy has had enough of this... He gets up, brushes himself off and quietly leaves. The little guy is gone for an hour or so when he returned. Without saying a word, he walks up behind the big idiot and —Bong!!!— bangs the big guy off his stool, knocking him out cold!!! The little guy looks at the bartender and says, "When he comes to, tell him that was a crowbar from Sears."
