Redneck Swimming Pool

You know you're a redneck if... you use the bed of your truck as a swimming pool!

Things Stressed Women Say at Work

1. Well this day was a total waste of make up!
2. Well, aren't we a ray of sunshine?
3. Don't bother me; I'm living happily ever after.
4. Do I look like a people person?
5. This isn't an office. It's hell with fluorescent lighting.
6. I started out with nothing and I still have most of it left.
7. Therapy is expensive. Popping bubble wrap is cheap. You choose.
8. Why don't you try practicing random acts of intelligence & senseless acts of self-control?
9. I'm not crazy. I've been in a very bad mood for 30 years.
10. Sarcasm is just one more service I offer.
11. Do they ever shut up on your planet?
12. I'm not your type. I'm not inflatable.
13. Stress is what you have when you wake up screaming and you realize you haven't gone to sleep yet.
14. Back off!! You're standing in my aura.
15. Don't worry; I forgot your name too.
16. I work 45 hours a week to be this poor.
17. Not all men are annoying. Some are dead.
18. Wait...I'm trying to imagine you with a personality.
19. Chaos, panic and disorder...my work here is done.
20. Ambivalent? Well, yes and no.
21. You look like crap, is that the style now?
22. Earth is full. Go home.
23. Aw, did I step on your poor little itty bitty ego?
24. I'm not tense, just terribly, terribly alert.
25. You are depriving some village of an idiot.
26. If buttoholes could fly, this place would be an airport.
27. Look in my eyes...do you see one ounce of gives-a-crap?

The Mermaid

There were three guys that were fishing out in the ocean. After a while of not catching anything, one guy yells, "I've got something!" So they all rush over and help pull it in. They pulled for hours until inside the boat was a mermaid. She plead for them to let her go and when they wouldn't, she said, "I'll grant you each one wish if you let me go. The men agreed. The first guy said, make me three times smarter than I already am. Poof, and then he started quoting Shakespeare perfectly. The second guy seeing this said make me 10 times smarter. Poof and then he figured out math problems that famous mathematicians had been pondering for years. The third guy said, make me 20 times smarter. The mermaid said, sir consider that carefully. He didn't listen to her and said, make me twenty times smarter! And poof, he turned into a woman.

Changing Schools

A ten year-old Jewish boy was failing math. His parents tried everything from tutors to hypnosis; but to no avail. Finally, at the insistence of a family friend, they decided to enroll their son in a private Catholic school.

After the first day, the boy's parents were surprised when he walked in after school with a stern, focused and very determined expression on his face. He went straight past them, right to his room and quietly closed the door. For nearly two hours he toiled away in his room with math books strewn about his desk and the surrounding floor. He emerged long enough to eat, and after quickly cleaning his plate, went straight back to his room, closed the door and worked feverishly at his studies until bedtime. This pattern of behavior continued until it was time for the first quarter's report card. The boy walked in with it unopened, laid it on the dinner table, and went straight to his room. Cautiously, his mother opened it and, to her amazement, she saw a large red 'A' under the subject of Math. Overjoyed, she and her husband rushed into their son's room, thrilled at his remarkable progress. "Was it the nuns that did it?" the father asked.

The boy shook his head and said, "No." "Was it the one-to-one tutoring? The peer-mentoring?" "No." "The textbooks? The teachers? The curriculum?" "No", said the son. "On that first day, when I walked in the front door and saw that guy nailed to the Plus Sign, I KNEW they meant business!"

Compliment?

Morris was in his usual place in the morning sitting at the table, reading the paper after breakfast. He came across an article about a beautiful actress that was about to marry a football player who was known primarily for his lack of IQ and common knowledge. He turned to his wife Sherry, with a look of question on his face. "I'll never understand why the biggest schmucks get the most attractive wives." His wife replies, "Why thank you, dear!"

Message from Management

Dear Staff:

It is advised that you come to work dressed according to your salary. If we see you wearing Prada sneakers and carrying a Gucci bag we assume that you are doing well financially and therefore you do not need a raise. If you dress poorly, you need to learn to manage your money better, so that you may buy nicer clothes and therefore you do not need a raise. If you dress in-between, you are right where you need to be and therefore you do not need a raise.

PERSONAL DAYS:

Each employee will receive 104 personal days a year. They are called Saturday and Sunday.

LUNCH BREAKS:

Skinny people get 30 minutes for lunch as they need to eat more so that they can look healthy. Normal size people get 15 minutes for lunch to get a balanced meal to maintain their average size. Fat people get 5 minutes for lunch, because that's all the time needed to drink a Slim Fast and take a diet pill.

SICK DAYS:

We will no longer accept a doctor statement as proof of sickness. If you are able to go to the doctor, you are able to come to work.

RESTROOM USE:

Entirely too much time is being spent in the restroom. There is now a strict 3 minute time limit in the stalls. At the end of 3 minutes, an alarm will sound, the toilet paper roll will retract, the stall door will open and a picture will be taken. After your second offense, your picture will be posted on the company bulletin board under the "Chronic Offender" category.

SURGERY:

As long as you are employed here, you need all your organs. You should not consider removing anything. We hired you intact. To have something removed will constitute grounds for termination.

Thank you for your loyalty to our company. We are here to provide a positive employment experience. Therefore, all questions, comments, concerns, complaints, frustrations, irritations, aggravations, insinuations, allegations, accusations, contemplation and input should be directed elsewhere. Please note that Arkansas has a broad public records law, and that all correspondence to me via email may be subject to disclosure.
