Just for Fun

A couple drove down a country road for several miles, not saying a word. An earlier discussion had led to an argument and neither of them wanted to concede their position. As they passed a barnyard of mules, goats, and pigs, the husband asked sarcastically, "Relatives of yours?" "Yep," the wife replied, "in-laws."

While attending a Marriage Seminar dealing with communication, Tom and his wife Grace listened to the instructor, "It is essential that husbands and wives know each other's likes and dislikes." He addressed the man, "Can you name your wife's favorite flower?" Tom leaned over, touched his wife's arm gently and whispered, "It's Pillsbury, isn't it?"

Two blondes with hammers - Becky and Sally Ann, were doing some carpentry work on a Habitat for Humanity house. Becky, who was nailing down house siding, would reach into her nail pouch, pull out a nail and either toss it over her shoulder or nail it in. Sally Ann, figuring this was worth looking into, asked, "Why are you throwing those nails away?" Becky explained, "When I pull a nail out of my pouch, about half of them have the head on the wrong end and I throw them away." Sally Ann got completely upset and yelled, "You moron! Those nails aren't defective! They're for the other side of the house!"

A man and his wife were having an argument about who should brew the coffee each morning. The wife said, "You should do it, because you get up first, and then we don't have to wait as long to get our coffee." The husband said, "You are in charge of cooking around here and you should do it, because that is your job, and I can just wait for my coffee." Wife replies, "No, you should do it, and besides, it is in the Bible that the man should do the coffee." Husband replies, "I can't believe that, show me." So she fetched the Bible, and opened the New Testament and showed him at the top of several pages, that it indeed says... "HEBREWS"

A man said to his wife one day, "I don't know how you can be so stupid and so beautiful all at the same time. The wife responded, "Allow me to explain. God made me beautiful so you would be attracted to me; God made me stupid so I would be attracted to you!"
