Things Kids Say

Attending a wedding for the first time, a little girl whispered to her mother, "Why is the bride dressed in white?" "Because white is the color of happiness, and today is the happiest day of her life." The child thought about this for a moment, then said, "So why is the groom wearing black?"

A little girl, dressed in her Sunday best, was running as fast as she could, trying not to be late for Bible class. As she ran she prayed, "Dear Lord, please don't let me be late!" While she was running and praying, she tripped on a curb and fell, getting her clothes dirty and tearing her dress. She got up, brushed herself off, and started running again. As she ran she once again began to pray, "Dear Lord, please don't let me be late...But please don't shove me either!"

Three boys are in the schoolyard bragging about their fathers. The first boy says, "My Dad scribbles a few words on a piece of paper, he calls it a poem, they give him \$50." The second boy says, "That's nothing. My Dad scribbles a few words on a piece of paper, he calls it a song, they give him \$100." The third boy says, "I got you both beat. My Dad scribbles a few words on a piece of paper, he calls it a sermon, and it takes eight people to collect all the money!"

A Sunday school teacher was discussing the Ten Commandments with her five and six year olds. After explaining the commandment to "honor thy father and thy mother," she asked "Is there a commandment that teaches us how to treat our brothers and sisters?" One little boy answered, "Thou shall not kill."

A Little Humor

A police recruit was asked during the exam, "What would you do if you had to arrest your own mother?" He answered "Call for backup!"

A Sunday School teacher asked her class why Joseph and Mary took Jesus with them to Jerusalem. A small child replied: "They couldn't get a babysitter."

An elderly woman died last month. Having never married, she requested no male pallbearers. In her handwritten instructions for her memorial service, she wrote, "They wouldn't take me out while I was alive, I don't want them to take me out when I'm dead."

To Be Six Again

BACK TO SCHOOL

A man was sitting on the edge of the bed, observing his wife turning back and forth, looking at herself in the mirror. Since her birthday was not far off, he asked what she'd like to have for her birthday. "I'd like to be six again", she replied, still looking in the mirror. On the morning of her birthday, he arose early, made her a nice big bowl of Lucky Charms, and then took her to Six Flags theme park. What a day! He put her on every ride in the park; the Death Slide, the Wall of Fear, the Screaming Monster Roller Coaster... everything there was. Five hours later they staggered out of the theme park. Her head was reeling and her stomach felt upside down. He then took her to a McDonald's where he ordered her a Happy Meal with extra fries and a chocolate shake. Then it was off to a movie, popcorn, a soda pop, and her favorite candy, M&M's. What a fabulous adventure! Finally she wobbled home with her husband and collapsed into bed exhausted. He leaned over his wife with a big smile and lovingly asked, "Well dear, what was it like being six again?" Her eyes slowly opened and her expression suddenly changed. "I meant my dress size, you dummy!"

Just a Couple More Blonde Jokes Please..

A blonde was driving home after a game and got caught in a really bad hailstorm. Her car was covered with dents, so the next day she took it to a repair shop. The shop owner saw that she was a blonde, so he decided to have some fun. He told her just to go home and blow into the tail pipe really hard, and all the dents would pop out. So, the blonde went home, got down on her hands and knees and started blowing into her tailpipe. Nothing happened. So she blew a little harder, and still nothing happened. Her roommate, another blonde, came home and said, "What are you doing?" The first blonde told her how the repairman had instructed her to blow into the tail pipe in order to get all the dents to pop out. The roommate rolled her eyes and said, "Duh, like hello! You need to roll up the windows first."

A blonde was shopping at a Target Store and came across a silver thermos. She was quite fascinated by it, so she picked it up and brought it over to the clerk to ask what it was. The clerk said, "That's a thermos . . . it keeps some things hot and some things cold." "Wow, said the blonde, "that's amazing. I'm going to buy it!" So she bought the thermos and took it to work the next day. Her boss saw it on her desk. "What do you have there?" he asked. "Why, that's a thermos. It keeps hot things hot and cold things cold," she replied. Her boss inquired, "What do you have in it?" The blond replied, "Two Popsicles, and some coffee".
