For the Single Woman on Valentine's

- *Don't imagine you can change a man - unless he's in diapers.
- *What do you do if your boyfriend walks out? You shut the door.
- *If they put a man on the moon - they should be able to put them all up there.
- *Never let your man's mind wander - it's too little to be out alone.
- *Go for the younger man. You might as well, they never mature anyway.
- *Men are all the same - they just have different faces, so that you can tell them apart.
- *Definition of a bachelor: a man who has missed the opportunity to make some woman miserable.
- *Women don't make fools of men - most of them are the do-it-yourself types.
- *Best way to get a man to do something is to suggest he is too old for it.
- *Love is blind, but marriage is a real eye-opener.
- *If you want a committed man, look in a mental hospital.
- *Men don't ask for directions, they'd rather be lost.
- *Remember a sense of humor does not mean that you tell him jokes, it means that you laugh at his.
- *If a man asks you what kind of books you like, tell him you like checkbooks.
- *Sadly, all men are created equal.

For the Single Man on Valentine's

First the lord made man in the Garden of Eden. Then he said to himself, "There's something he's needing." After casting about for a suitable pearl, He kept messing around and created a girl. Two beautiful legs, so long and so slender, Round, slim and firm, and ever so tender. Two lovely hips to increase his desire, And rounded and firm to bring out the fire. Two lovely breasts, so full and so proud, Commanding his eyes, as he whispers aloud. Two lovely arms, just aching to bless him, And two loving hands, to soothe and caress him. Soft, cascading hair falling over her shoulder, And two dreamy eyes to make him grow bolder. 'Twas made for a man just to make his heart sing. Then he added a mouth, Ruined the whole damn thing!"

Last Year's Forwarding E-mails

I just wanted to thank you all for taking the time and trouble to send me "forwards" over the past 12 months. Extra thanks to whoever sent me the one about rat crap in the glue on envelopes, because I now have to go get a wet towel every time I need to seal an envelope. Also, I have to scrub the top of every can I open for the same reason. Because of your concern I no longer drink Coca Cola because it can remove toilet stains. I no longer drink Pepsi or Dr. Pepper, since the people who make these products are atheists who refuse to put "Under God" on their cans. I no longer use Saran wrap in the microwave because it causes cancer. I no longer check the coin return on pay phones because I could be pricked with a needle infected with AIDS. I no longer use cancer-causing deodorants, even though I smell like a water buffalo on a hot day. I no longer go to shopping malls because someone might drug me with a cologne sample and rob me. I no longer receive packages from, nor send packages by, UPS or FedEx since they are actually Al Qaeda in disguise. I no longer answer the phone, because someone will ask me to dial a number for which I will get a phone bill with calls to Jamaica, Uganda, Singapore and Uzbekistan. I no longer eat KFC because their chickens are actually horrible mutant freaks with no eyes or feathers. I no longer have any sneakers — but that will change once I receive my free replacement pair from Nike. I no longer have to buy expensive cookies from Neiman Marcus since I now have their recipe. I no longer worry about my soul because at last count I have 363,214 angels looking out for me. Thanks to you, I have learned that God only answers my prayers if I forward an e-mail to seven of my friends and make a wish within five minutes. I no longer have any money because I gave them to a sick girl who is about to die in the hospital (for the 258th time) but that will change once I receive the \$15,000 that Microsoft and AOL are sending me for participating in their special email program. Yes, I want to thank you so much for looking out for me that I will now return the favor! If you don't read this thank you letter to at least 144,000 people in the next 7 minutes, a large pigeon with a wicked case of diarrhea will land on your head at 6:00 p.m. Minneapolis time this evening. I know this will occur because it actually happened to a friend of my next-door neighbor's ex-mother-in-law's second husband's cousin's beautician.

Valentine Jokes

Little David comes home from first grade and tells his father that they learned about the history of Valentine's Day. "Since Valentine's Day is for a Christian saint and we're Jewish," he asks, "will God get mad at me for giving someone a valentine?" David's father thinks a bit, then says "No, I don't think God would get mad. Who do you want to give a valentine to?" "Osama Bin Laden," David says. "Why Osama Bin Laden," his father asks in shock. "Well," David says, "I thought that if a little American Jewish boy could have enough love to give Osama a valentine, he might start to think that maybe we're not all bad, and maybe start loving people a little bit. And if other kids saw what I did and sent valentines to Osama, he'd love everyone a lot. And then he'd start going all over the place to tell everyone how much he loved them and how he didn't hate anyone anymore." His father's heart swells and he looks at his boy with newfound pride. "David, that's the most wonderful thing I've ever heard." "I know," David says, "and once that gets him out in the open, the Marines shoot him."

- What does a man who loves his car do on February 14? He gives it a valenshine!
- What do you call two birds in love? Tweethearts!
- Why is Valentine's Day the best day for a celebration? Because you can really party hearty!
- What did the painter say to her boyfriend?
"I love you with all my art!"
- Did you hear about the romance in the tropical fish tank? It was a case of guppy love.
- What did the man with the broken leg say to his nurse? "I've got a crutch on you!"
- Why did the boy put clothes on the valentines he was sending? Because they needed to be ad-dressed!

It Depends on Whose Hands It's In!

- *A basketball in my hands is worth about \$19. A basketball in Michael Jordan's hands is worth about \$33 million.
- *A baseball in my hands is worth about \$6. A baseball in Mark McGuire's hands is worth \$19 million.
- *A pair of isotoner gloves is worth \$20 in my hands. Now, on the other hand... a pair of isotoner gloves in OJ Simpson's hands is worth about \$3 million in legal fees and a free get out of jail card! It depends whose hands it's in!
