Female Prayer

Before I lay me down to sleep,
I pray for a man, who's not a creep,
One who's handsome, smart and strong
One who loves to listen long,
One who thinks before he speaks,
One who'll call, not wait for weeks.
I pray he's gainfully employed,
When I spend his cash, won't be annoyed.
Pulls out my chair and opens my door,
Massages my back and begs to do more.
Oh! Send me a man who'll make love to my mind,
Knows what to answer to "how big is my behind?"
I pray that this man will love me to no end,
And always be my very best friend.
Amen.

Male Prayer

I pray for a deaf-mute nymphomaniac with huge breasts who owns a liquor store and a bass boat. This doesn't rhyme and I don't give a crap. Amen.

A Thought To Ponder

I signed up for an exercise class and was told to wear loose-fitting clothing. If I HAD any loose-fitting clothing, I wouldn't have signed up in the first place!

Why Older Chicks Rule by Andy Rooney from CBS "60 Minutes"

This is for all you girls 40 years and over... and for those who are turning 40, and for those who are scared of moving into their 50's...AND 60'sand for guys who are scared of girls over 40!!!!

Andy Rooney says: As I grow in age, I value women who are over 40 most of all. Here are just a few reasons why: A woman over 40 will never wake you in the middle of the night to ask, "What are you thinking?" She doesn't care what you think. If a woman over 40 doesn't want to watch the game, she doesn't sit around whining about it. She does something she wants to do. And, it's usually something more interesting. A woman over 40 knows herself well enough to be assured in who she is, what she is, what she wants and from whom. Few women past the age of 40 give a hoot what you might think about her or what she's doing. Women over 40 are dignified. They seldom have a screaming match with you at the opera or in the middle of an expensive restaurant. Of course, if you deserve it, they won't hesitate to shoot you, if they think they can get away with it. Older women are generous with praise, often undeserved. They know what it's like to be unappreciated. A woman over 40 has the self-assurance to introduce you to her women friends. A younger woman with a man will often ignore even her best friend because she doesn't trust the guy with other women. Women over 40 couldn't care less if you're attracted to her friends because she knows her friends won't betray her. Women get psychic as they age. You never have to confess your sins to a woman over 40. They always know. A woman over 40 looks good wearing bright red lipstick. This is not true of younger women. Once you get past a wrinkle or two, a woman over 40 is far sexier than her younger counterpart. Older women are forthright and honest. They'll tell you right off if you are a jerk if you are acting like one! You don't ever have to wonder where you stand with her. Yes, we praise women over 40 for a multitude of reasons. Unfortunately, it's not reciprocal. For every stunning, smart, well-coiffed hot woman of 40+, there is a bald, paunchy relic in yellow

pants making a fool of himself with some 22-year-old waitress. Ladies, I apologize. For all those men who say, "Why buy the cow when you can get the milk for free", here's an update for you. Nowadays 80% of women are against marriage, why? Because women realize it's not worth buying an entire pig, just to get a little sausage.
