WORDS

A husband read an article to his wife about how many words women use a day... 30,000 to a man's 15,000. The wife replied, "The reason has to be because we have to repeat everything to men... The husband then turned to his wife and asked, "What?"

Understanding Women (A Man's Perspective)

I know I'm not going to understand women. I'll never understand how you can take boiling hot wax, pour it onto your upper thigh, rip the hair out by the root, and still be afraid of a spider.

Mom's Revenge

"Cash, check or charge?" I asked, after putting items in the bag the woman wished to purchase. As she fumbled for her wallet I noticed a remote control for a television set in her purse. "So, do you always carry your TV remote?" I asked. "No," she replied, "but my husband refused to come shopping with me, and I figured this was the most evil thing I could do to him legally."

Another Blonde Joke

There was a blonde driving down the road one day. She glanced to her right and noticed another blonde sitting in a nearby field. She was in a boat rowing, with no water in sight. The blonde angrily pulled her car over and yelled at the rowing blonde, "What do you think you're doing? It's things like this that give us blondes a bad name. If I could swim, I'd come out there and kick your butt!"

Menopause Jewelry

My husband, being unhappy with my mood swings, bought me a mood ring the other day so he would be able to monitor my moods. We've discovered that when I'm in a good mood, it turns green. When I'm in a bad mood, it leaves a big freakin' red mark on his forehead. Maybe next time he'll buy me a diamond.
