Happy Halloween!

Slow Dance - Written by a young girl with terminal cancer

Have you ever watched kids, on a merry-go-round? Or listened to the rain, slapping on the ground? Ever followed a butterfly's erratic flight? Or gazed at the sun into the fading night? You better slow down. Don't dance so fast. Time is short. The music won't last. Do you run through each day, on the fly? When you ask "how are you?" Do you hear the reply? When the day is done, do you lie in your bed, with the next hundred chores, running through your head? You'd better slow down, don't dance so fast. Time is short. The music won't last. Ever told your child, we'll do it tomorrow? And in your haste, not see his

New Blonde Waitress

A trucker came into a truck stop cafe and placed his order. He said, "I want three flat tires, a pair of headlights and a pair of running boards." The brand new blonde waitress, not wanting to appear stupid, went to the kitchen and said to the cook, "This guy out there just ordered three flat tires, a pair of headlights and a pair of running boards. What does he think this place is, an auto parts store?" "No," the cook said. "Three flat tires mean three pancakes, a pair of headlights is two eggs sunny side up, and running boards are 2 slices of crisp bacon." "Oh, Okay!" said the blonde. She thought about it for a moment and then spooned up a bowl of beans and gave it to the customer. The trucker asked, "What are the beans for Blondie?" She replied, "I thought while you were waiting for the flat tires, headlights and running boards, you might as well gas up!"

sorrow? Ever lost touch, let a good friendship die, cause you never had time, to call and say, "Hi" You'd better slow down. Don't dance so fast. Time is short. The music won't last. When you run so fast to get somewhere, you miss half the fun of getting there. When you worry and hurry through your day, it is like an unopened gift... thrown away. Life is not a race. Do take it slower, hear the music, before the song is over.

25 Signs You Have Grown Up

25. Your houseplants are still alive.
24. Making love in a twin bed is out of the question.
23. You keep more food than beer in the fridge.
22. 6 AM is when you get up, not when you go to bed.

11. Sleeping on the couch makes your back hurt.
10. You take naps.
9. Dinner and a movie is the whole date instead of the beginning of one.
8. Eating a basket of chicken wings at 3 AM would severely upset, rather than settle, your stomach.

6. A \$4.00 bottle of wine is no longer "pretty good stuff."
5. You actually eat breakfast food at breakfast time.
4. "I just can't drink the way I used to" replaces "I'm never going to drink that much again."
3. 90% of the time you spend in front of a computer is for real work.
2. When you find out your friend is pregnant you congratulate them instead of asking "Oh crap, what the heck happened?"

And the number one sign you are getting old is:

1. You read this entire list looking desperately for one sign that doesn't apply to you and can't find one!

We all get heavier as we get older because there's a lot more information in our heads. So I'm not fat, I'm just really intelligent and my head couldn't hold any more so it started filling up the rest of me! **That's my story and I'm sticking to it!**
