## Maxine on Border Control!

- Everyone concentrates on the problems we're having in this country lately; illegal immigration, hurricane recovery, wild animals attacking humans in Florida. Not me. I concentrate on solutions to problems. The result is a win-win-win situation:
- + Dig a moat the length of the Mexican border
- + Use the dirt to raise the levies in New Orleans
- + Put the Florida alligators in the moat.
- Any other problems you would like for me to solve today?
