Kids Will Be Kids

Did Noah Fish?? A Sunday school teacher asked, "Johnny, do you think Noah did a lot of fishing when he was on the Ark?" "No" replied Johnny. "How could he, with just two worms!"

Higher Power: A Sunday school teacher said to her children, "We have been learning how powerful kings and queens were in Bible times. But, there is a higher power. Can anybody tell me what it is?" One child blurted out, "Aces!"

All Men / All Girls: When my daughter, Kelli, was 3, she and my son, Cody, would say their nightly prayers, together. As most children do, we have to bless every family member, every friend, and every animal. For several weeks, after we had finished the nightly prayer, Kelli would say, "And all girls." As this soon became part of her nightly routine, to include this at the end, my curiosity, got the best of me and I asked her, "Kelli, why do you always add the part about all girls?" Her response, "Because we always finish our prayers by saying 'All Men!'"

Say a Prayer: Little Johnny and his family were having Sunday dinner at his Grandmother's house. Everyone was seated around the table as the food was being served. When little Johnny received his plate, he started eating right away. "Johnny, wait until we say our prayer." "I don't have to," the boy replied. "Of course, you do," his mother insisted. "We say a prayer, before eating, at our house." "That's our house," Johnny explained. "But this is Grandma's house, and she knows how to cook!"

Reasons To Not Mess With Kids

A Sunday school teacher was discussing the Ten Commandments with her five and six year old. After explaining the commandment to "honor" thy Father and thy Mother, she asked, "Is there a commandment that teaches us how to treat our brothers and sisters?" Without missing a beat one little boy (the oldest of a family) answered, "Thou shall not kill."

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head. She looked at her mother and inquisitively asked, "Why are some of your hairs white, Mom?" Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white." The little girl thought about this revelation for a while and then said, "Momma? You must have been a very bad girl. Grandma's hairs are ALL white?"

A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, she said, "Now, class, if I stood on my head, the blood, as you know, would run into it, and I would turn red in the face." "Yes," the class said. "Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?" A little fellow shouted, "Cause your feet aren't empty."

The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture. "Just think how nice it will be to look at it when you are all grown up and say, 'There's Jennifer, she's a lawyer,' or 'That's Michael, He's a doctor.'" A small voice at the back of the room rang out, "And there's the teacher, she's dead."

16 Police Comments

These 16 Police Comments were taken off actual police car videos around the country:

#16 "You know, stop lights don't come any redder than the one you just went through."

#15 "Relax, the handcuffs are tight because they're new. They'll stretch after you wear them a while."

#14 "If you take your hands off the car, I'll make your birth certificate a worthless document."

#13 "If you run, you'll only go to jail tired."

#12 "Can you run faster than 1200 feet per second? Because that's the speed of the bullet that will be chasing you."

#11 "You don't know how fast you were going? I guess that means I can write anything I want to on the ticket, huh?"

#10 "Yes, sir, you can talk to the shift supervisor, but I don't think it will help. Oh, did I mention that I'm the shift supervisor?"

#9 "Warning! You want a warning? O.K., I'm warning you not to do that again or I'll give you another ticket."

#8 "The answer to this last question will determine whether you are drunk or not. Was Mickey Mouse a cat or a dog?"

#7 "Fair? You want me to be fair? Listen, fair is a place where you go to ride on rides, eat cotton candy and corn dogs and step in monkey poop."

#6 "Yeah, we have a quota. Two more tickets and my wife gets a toaster oven."

#5 "In God we trust, all others we run through NCIC."

#4 "How big were those 'Just two beers' you say you had?"

#3 "No sir, we don't have quotas anymore. We used to, but now we're allowed to write as many tickets as we can."

#2 "I'm glad to hear that Chief (of Police) is a personal friend of yours. So you know someone who can post your bail."

#1 "You didn't think we give pretty women tickets? You're right, we don't. Sign here."

Laser Cartridge Plus would like to wish all of our customers a Happy Labor Day!

Interesting Human Body Facts

You'll really be educated after this lesson!! Now, how useful the information is may be a different story!

- A full bladder is roughly the size of a soft ball.
- It takes the food seven seconds to get from your mouth to your stomach.
- One human hair can support 3 kg.
- Human thighbones are stronger than concrete.
- The attachment of human muscles to skin is what causes dimples.
- Your thumb is the same length of your nose.
- A woman's heart beats faster than a man's.
- If the average male never shaved, his beard would be 13 feet long when he died.
- Men without hair on their chests are more likely to get cirrhosis of the liver than men with hair.
- There are about one trillion bacteria on each of your feet.
- Side by side, 2000 cells from the human body could cover about one square inch.
- Women blink twice as much as men.
- The average person's skin weighs twice as much as their brain.
- When you are looking at someone you love, your pupils dilate, and they do the same when you are looking at someone you hate.
- It takes twice as long to lose new muscle if you stop working out than it did to gain it.
- You're ears secrete more earwax when you are afraid than when you aren't.
- Your body uses 300 muscles to balance itself when you are standing still.
- If saliva cannot dissolve something, you cannot taste it.
- The average woman is 5 inches shorter than the average man.

If your wife tells you that you are in the doghouse, this wouldn't be so bad!!
