

Marrying A Texas Woman...

Three men were sitting together bragging about how they had given their new wives duties. The first man had married a woman from Atlanta and bragged that he had told his wife she was going to do all the dishes and house cleaning. He said it took a couple days but on the third day he came home to a clean house and the dishes were done. The second man had married a woman from Kansas City. He bragged that he had given his wife orders that she was to do all the cleaning, dishes and the cooking. On the first day he didn't see any results, but the next day it was better. By the third day, his house was clean, the dishes were done and he had a huge dinner on the table.

The third man married a girl from Texas. He told her that her duties were to keep the house clean, dishes washed, lawn mowed, laundry washed and hot meals on the table for every meal. He said the first day he didn't see anything, the second day he didn't see anything, but by the third day most of the swelling had gone down and he could see a little out of his left eye; enough to fix himself a bite to eat, load the dishwasher and telephone a landscaper!

A Blonde Goes Curtain Shopping...

A blonde goes to Lowe's to buy curtains. She tells the salesman, "I would like to buy a pair of pink curtains." The salesman assures her that they have a large selection of pink curtains. He shows her several patterns but the blonde seems to be having a hard time choosing. Finally she selects a lovely pink floral print. The salesman then asks what size curtains she needs. The blonde promptly replies, "Seventeen inches." "Seventeen inches?" asked the salesman. "That sounds very small. What room are they for?" The blonde says, "They aren't for a room. They are for my new computer monitor." The surprised salesman replies, "But Miss, computers do not need curtains!" The blonde says, "Helllllooooooo ... I've got Windoooooows!"

## Minute Chocolate Mug Cake

1 Coffee Mug  
 4 tablespoons flour (that's plain flour, not self-rising)  
 4 tablespoons sugar  
 2 tablespoons baking cocoa  
 1 egg  
 3 tablespoons milk  
 3 tablespoons oil  
 3 tablespoons chocolate chips (optional)  
 Some nuts (optional)  
 Small splash of vanilla

Add dry ingredients to mug, and mix well.  
 Add the egg and mix thoroughly.  
 Pour in the milk and oil and mix well.  
 Add the chocolate chips (if using) and vanilla, and mix again.

Put your mug in the microwave and cook for 3 minutes on high.  
 The cake will rise over the top of the mug, but don't be alarmed!  
 Allow to cool a little, and tip out onto a plate if desired. EAT! (this can serve 2 if you want to share!)

Why is this the most dangerous cake recipe in the world? Because now we are all only 5 minutes away from chocolate cake at any time of the day or night!

The Silent generation, people born before 1946. The Baby Boomers, people born between 1946 and 1964. Generation X, people born between 1965 and 1979. Generation Y, people born between 1980 and 1995. Why do we call the last one generation Y? Answer: Think about the baggy pants the teens wear and a plumber...

## Hearing Problems...

A man feared his wife wasn't hearing as well as she used to and he thought she might need a hearing aid. Not quite sure how to approach her, he called the family Doctor to discuss the problem. The Doctor told him there is a simple informal test the husband could perform to give the Doctor a better idea about her hearing loss.

"Here's what you do," said the Doctor, "stand about 40 feet away from her, and in a normal conversational speaking tone see if she hears you. If not, go to 30 feet, then 20 feet, and so on until you get a response."

That evening, the wife was in the kitchen cooking dinner, and he was in the den. He says to himself, "I'm about 40 feet away, let's see what happens." Then in a normal tone he asks, "Honey, what's for dinner?" No response.

So the husband moves closer to the kitchen, about 30 feet from his wife and repeats, "Honey, what's for dinner?" Still no response.

Next he moves into the dining room where he is about 20 feet from his wife and asks, "Honey, what's for dinner?" Again he gets no response.

He walks up to the kitchen door, about 10 feet away. "Honey, what's for dinner?" Again there is no response.

So he walks right up behind her. "Honey, what's for dinner?" This time he hears a response of.... "James, for the FIFTH time I said, CHICKEN!"
