

A Little Rabbit Humor...

A man is driving along a highway and sees a rabbit jump out across the middle of the road. He swerves to avoid hitting it, but unfortunately the rabbit jumps right in front of the car. The driver, a sensitive man as well as an animal lover, pulls over and gets out to see what has become of the rabbit. Much to his dismay, the rabbit is dead. The driver feels so awful that he begins to cry. A beautiful blonde woman driving down the highway sees a man crying on the side of the road and pulls over... She steps out of the car and asks the man what's wrong. "I feel terrible," he explains, "I accidentally hit this rabbit and killed it." The blonde says, "Don't worry." She runs to her car and pulls out a spray can. She walks over to the limp, dead rabbit, bends down, and sprays the contents onto the rabbit. The rabbit jumps up, waves its paw at the two of them and hops off down the road. Ten feet away the rabbit stops, turns around and waves again, he hops down the road another ten feet, turns and waves, hops another ten feet, turns and waves, then he hops out of sight. The man is astonished. He runs over to the woman and demands, "What is in that can? What did you spray on that rabbit?" The woman turns the can around so that the man can read the label. It says... "Hair Spray - Restores life to dead hair, and adds permanent wave." Happy Easter!!!

Traffic Cameras...

I was driving when I saw the flash of a traffic camera. I figured that my picture had been taken for exceeding the limit even though I knew that I was not speeding. Just to be sure, I went around the block and passed the same spot, driving even more slowly, but again the camera flashed. Now I began to think that this was quite funny, so I drove even slower as I passed the area once more, but the traffic camera again flashed. I tried a fourth and fifth time with the same results and was now laughing as the camera flashed while I rolled past at a snail's pace. Two weeks later, I got five tickets in the mail for driving without a seat belt. You know....you can't fix stupid!!!!

Ralph and Edna...

Ralph and Edna were both patients in a mental hospital. One day while they were walking past the hospital swimming pool, Ralph suddenly jumped into the deep end. He sank to the bottom of the pool and stayed there. Edna promptly jumped in to save him. She swam to the bottom and pulled him out. When the Head Nurse Director became aware of Edna's heroic act she immediately ordered her to be discharged from the hospital, as she now considered her to be mentally stable. When she went to tell Edna the news she said, "Edna, I have good news and bad news. The good news is you're being discharged, since you were able to rationally respond to a crisis by jumping in and saving the life of the person you love... I have concluded that your act displays sound mindedness. The bad news is, Ralph hung himself in the bathroom with his bathrobe belt right after you saved him. I am so sorry, but he's dead." Edna replied, "He didn't hang himself, I put him there to dry... So, how soon can I go home?"

Blonde Moments...

Two blondes were going to Disneyland. They were driving on the Interstate when they saw the sign that said Disneyland LEFT. They started crying and turned around and went home.

A police officer stops a blonde for speeding and asks her very nicely if he could see her license. She replied in a huff, "I wish you guys would get your act together. Just yesterday you take away my license and then today you expect me to show it to you!"

There's this blonde out for a walk. She comes to a river and sees another blonde on the opposite bank "Yoo-hoo!" she shouts, "How can I get to the other side?" The second blonde looks up the river then down the river and shouts back, "You ARE on the other side."

A highway patrolman pulled alongside a speeding car on the freeway. Glancing at the car, he was astounded to see that the blonde behind the wheel was knitting! Realizing that she was oblivious to his flashing lights and siren, the trooper cranked down his window, turned on his bullhorn and yelled, "PULL OVER!" The blonde yelled back, "NO, IT'S A SCARF!"

A Russian, an American, and a Blonde were talking one day. The Russian said, "We were the first in space!" The American said, "We were the first on the moon!" The Blonde said, "So what? We're going to be the first on the sun!" The Russian and the American looked at each other and shook their heads. "You can't land on the sun, you idiot! You'll burn up!" said the Russian. To which the Blonde replied, "We're not stupid, you know. We're going at night!"

Alligator Shoes...

A blonde really wanted a pair of alligator shoes, but they cost too much. After becoming very frustrated with the attitude of one of the shopkeepers, the young blonde declared, "Well, then, maybe I'll just go out and catch my own alligator and get a pair of alligator shoes for free!" The shopkeeper replied with a sly smile, "Well, little lady, why don't you go on and give it a try?" The blonde headed off to the swamp, determined to catch an alligator. Later in the day, as the shopkeeper was driving home, he spotted the same young woman standing waist deep in the murky water, shotgun in hand. As he brought his car to a stop, he saw a huge 9-foot gator swimming rapidly toward her. With lightning reflexes, the blonde took aim, shot the creature and hauled it up onto the slippery bank. Nearby were 7 more dead gators all lying belly up. The shopkeeper stood on the bank, watching in silent amazement as the blonde struggled mightily and barely managed to flip the gator onto its back. Then, rolling her eyes heavenward, she screamed in frustration....."DANG! THIS ONE'S BAREFOOT, TOO!"
