### Don't Make a Fuss About Valentine's Day...

My dearest wife is always going on and on about NOT making a fuss over her on Valentine's Day. She repeats that it's the thought that counts. Well, I put a lot of thought into the gifts from previous February 14th's but she didn't quite take to any of them like I assumed she would. Here's my list - see what you think:

\* Brand new mop and bucket.

I was thinking it would be fun to see what color the floor was because I couldn't remember.

\* Romantic dinner at fast food restaurant.

I was thinking that she might like to go inside for a change instead of fetching dinner at the drive through.

\* Chocolates left-over from last year's candy box.

I was thinking of how proud she'd be of me for not wasting food. She's been nagging me for years to recycle.

\* Midnight moped ride through the park.

I was thinking that I'm getting too old to be peddling on the bike.

\* Dozen roses printed on high quality photo paper.

I was thinking these would last a lifetime instead of just a week.

\* 45 second back massage.

I was thinking any longer and she might think I was interested in something else.

\* Windows 7

I was thinking how proud she would be to be a part of the technology crowd.

Happy Valentine's Day!

HOT OFF THE LASER

## Why Celebrate Groundhog Day?

1. It's on nearly every calendar.
2. Helps relieve cabin fever.
3. Forecast is no less reliable than the National Weather Service.
4. At least one of them critters is bound to see things your way.
5. Valentine's Day is too depressing for nerds.
6. Unlike the Easter bunny, he keeps his dirty paws outside.
7. As they used to say on radio: "The Shadow knows".
8. If a rodent can bring us an early spring, more power to him.

## What Day is it Today?

Over breakfast one morning, a woman said to her husband, "I'll bet you don't know what day this is."

"Of course I do," he answered as if he was offended, and left for the office.

At 10:00 a.m., the doorbell rang and when the woman opened the door, she was handed a box of a dozen long stemmed red roses. At 1:00 p.m., a foil-wrapped, two-pound box of her favorite chocolates was delivered. Later, a boutique delivered a designer dress.

The woman couldn't wait for her husband to come home.

"First the flowers, then the chocolates and then the dress!" she exclaimed.

"I've never had a more wonderful Groundhog Day in my life!"

## Short Groundhog Day Jokes...

Q: What would you get if you crossed February 2 with a puppy?  
A: Ground-dog Day!

Q: What happened when the groundhog met the dogcatcher?  
A: He became a pound hog!

Q: Why was the groundhog depressed about his den?  
A: He was having a bad lair day!

Q: What's green, has four legs, and jumps out of its hole on February 2?

A: The ground frog!

## Love is Blind...

Phil, a smart and handsome young man, dressed in the latest fashion, walked into the local pub. He noticed a woman gazing at him without blinking her big eyes. Phil felt flattered so he walked up to the woman and said in his deepest voice, "I'll do anything you wish, beautiful lady, for just \$10 but on one condition."

The woman appeared to be trapped in the moment and asked as if in a trance, "What's your condition?" Phil answered, "Tell me your wish in just three words."

There was a long pause, the woman opened her purse, counted out the money and handed it to the man along with her address. She then looked deeply into his eyes and whispered, "Clean my house."

## Valentine Gifts...

Jim asked his friend, Tony, whether he had bought his wife anything for Valentine's Day. "Yes," came the answer from Tony who was a bit of a chauvinist, "I've bought her a belt and a bag." "That was very kind of you," Jim added, "I hope she appreciated the thought." Tony smiled as he replied, "So do I, and hopefully the vacuum cleaner will work better now."
