Some Thoughts on Love

Love is an irresistible desire to be irresistibly desired.

Robert Frost (1874-1963)
Poet

Love is an unusual game. There are either two winners or none.

If I could reinvent the alphabet, I would put U and I together.

Love doesn't make the world go 'round, it makes the ride worthwhile.

Love is what makes two people sit in the middle of a bench when there's plenty of room at both ends.

Money is not the most important thing in the world. Love is. Fortunately, I love money.

Jackie Mason
Comedian

Love may be blind, but marriage is a real eye opener.

How To Keep A Healthy Level of Insanity

1. At lunch time, sit in your parked car with sunglasses on and point a hair dryer at passing cars. See if they slow down.
2. Page yourself over the intercom. Don't disguise your voice.
3. Every time someone asks you to do something, ask if they want fries with that.
4. Put your garbage can on your desk and label it "in".
5. Put decaf in the coffee maker for 3 weeks. Once everyone has gotten over their caffeine addictions, switch to espresso.
6. In the memo field of all your checks, write "for sexual favors".
7. Finish all your sentences with "in accordance with the prophecy".
8. Dont use any punctuation marks
9. As often as possible, skip rather than walk.
10. Ask people what sex they are. Laugh hysterically after they answer.
11. Specify that your drive-through order is "to go".
12. Sing along at the opera.
13. Go to a poetry recital and ask why the poems don't rhyme.
14. Put mosquito netting around your work area. Play a tape of jungle sounds all day.
15. Five days in advance, tell your friends you can't attend their party because you're not in the mood.
16. When the money comes out of the ATM, scream "I won!", "I won!" "3rd time this week!!!!!"
17. When leaving the zoo, start running towards the parking lot, yelling "run for your lives, they're loose!!"
18. Tell your children over dinner, "due to the economy, we are going to have to let one of you go".

A Woman's Random Thoughts:

They keep telling us to get in touch with our bodies. Mine isn't all that communicative but I heard from it the other day after I said, "Body, how'd you like to go to the six o'clock class in vigorous toning?" Clear as a bell my body said, "listen bitch...do it and you die."

The trouble with some women is that they get all excited about nothing and then they marry him.

I know what Victoria's Secret is. The secret is that nobody older than 30 can fit into their stuff.

JOBS I'VE HAD

- + My first job was working in an orange juice factory, but I got canned because I couldn't concentrate.
- + Then I worked in the woods as a lumberjack, but I just couldn't hack it, so they gave me the axe.
- + After that I tried to be a tailor, but I just wasn't suited for it. Mainly because it was a so-so job.
- + Next I tried working in a muffler factory but that was exhausting.
- + I wanted to be a barber, but I just couldn't cut it.
- + Then I tried to be a chef--figured it would add a little spice to my life but I just didn't have the thyme.
- + Finally, I attempted to be a deli worker, but any way I sliced it. I couldn't cut the mustard.
- + My best job was being a musician, but eventually I found I wasn't noteworthy.
- + I studied a long time to become a doctor, but I didn't have any patients.
- + Next was a job in a shoe factory; I tried but I just didn't fit in.
- + I became a professional fisherman, but discovered that I couldn't live on my net income.
- + I managed to get a good job working for a pool maintenance company, but the work was just too draining.
- + I got a job at a zoo feeding giraffes but I was fired because I wasn't up to it.
- + So then I got a job in a gymnasium (work-out-center), but they said I wasn't fit for the job.
- + Next, I found being an electrician interesting, but the work was shocking.
- + After many years of trying to find steady work I finally got a job as a historian until I realized there was no future in it.
- + My last job was working at Starbucks, but I had to quit because it was always the same old grind.
