Happy St. Patricks Day

The Frog

An 85 year old man who loves to fish was sitting in his boat the other day when he heard a voice say, "Pick me up."

He looked around and could not see any one. He thought he was dreaming when he heard the voice again, "Pick me up." He looked in the water and there floating on the top was a frog.

The man said "are you talking to me"? The frog said, "Yes, I'm talking to you. Pick me up and kiss me and I'll turn into the most beautiful woman you have ever seen and will give you the most wonderful pleasures that you have ever dreamed of."

The man looked at the frog for a short time & then reached over & picked it up carefully, placing it in his front breast pocket.

Then the frog said, "What are you nuts, didn't you hear what I said? I said kiss me and I will give you pleasures like you have never had."

He opened his pocket, looked at the frog and said, "at my age I'd rather have a talking frog."

POLICE QUOTES

- ◆ "The handcuffs are tight because they're new. They'll stretch out after you wear them awhile."
- ◆ "If you run, you'll only go to jail tired."
- ◆ "So, you don't know how fast you were going. I guess that means I can write anything I want on the ticket, huh?"
- ◆ "Yes sir, you can talk to the shift supervisor, but I don't think it will help. Oh, did I mention that I am the shift supervisor?"
- ◆ "Warning! You want a warning? O.K., I'm warning you not to do that again or I'll give you another ticket."
- ◆ "The answer to this last question will determine whether you are drunk or not. Was Mickey Mouse a cat or dog?"
- ◆ "Yeah, we have a quota. Two more tickets and my wife gets a toaster oven."
- ◆ "Life's tough, it's tougher if you're stupid."
- ◆ "No sir, we don't have quotas anymore. We used to have quotas, but now we're allowed to write as many tickets as we want."
- ◆ "Just how big were those two beers?"
- ◆ "In God we trust, all others are suspects."

Blonde 101

A man was in his front yard mowing grass when his attractive blonde female neighbor came out of the house and went straight to the mailbox. She opened it, then slammed it shut and stormed back in the house. A little later she came out of her house again and went to the mailbox and again opened it and slammed it shut again. Angrily, back into the house she went. As the man was getting ready to edge the lawn, here she came out again, marched to the mailbox, opened it and then slammed it closed harder than ever. Puzzled by her actions the man asked her, "Is something wrong?" To which she replied, "There certainly is!" "My stupid computer keeps saying, "YOU'VE GOT MAIL", but there is nothing in my mailbox.

- 8 minutes in the bathroom.
- 10 minutes getting a snack.
- 7 minutes checking the TV Guide.
- 6 minutes telling parents that the teacher never explained the assignment.
- 10 minutes sitting at the kitchen table waiting for Mom or Dad to do the assignment.

BUS RIDE

While riding the bus, my mother noticed a young man, who was holding onto the same pole, staring at her. Eventually, he said, "Excuse me. This is my stop."

Since she wasn't blocking his way, she was confused. "Well," she said, "go ahead."

"And this is my pole," he said.

My mother was completely perplexed until the young man added, "I just bought it at the hardware store to hold up my shower curtain."

And with that, he picked up his pole and carried it off the bus.
