## Girl Friend

A Marine stationed in Afghanistan recently received a "Dear John" letter from his girlfriend back home. It read as follows:

Dear Ricky,

I can no longer continue our relationship. The distance between us is just too great. I must admit that I have cheated on you twice since you've been gone, and it's not fair to either of us. I'm sorry. Please return the picture of me that I sent to you. Love, Becky

The Marine, with hurt feelings, asked his fellow Marines for any snapshots they could spare of their girlfriends, sisters, ex-girlfriends, aunts, cousins etc. In addition to the picture of Becky, Ricky included all the other pictures of the pretty gals he had collected from his buddies.

There were 57 photos in that envelope . . . along with this note:

Dear Becky,

I'm so sorry, but I can't quite remember who you are. Please take your picture from the pile, and send the rest back to me. Take Care, Ricky

### Water Guns:

When my three-year-old son opened the birthday gift from his grandmother, he discovered a water pistol. He squealed with delight and headed for the nearest sink. I was not so pleased. I turned to Mom and said, "I'm surprised at you. Don't you remember how we used to drive you crazy with water guns?"

Mom smiled and then replied . . . "Oh, I remember. . ."

## MAXINE'S RULES OF LIFE

Sometimes we need to remember WHAT the Rules of Life really are.

1. Never give yourself a haircut after three alcoholic beverages of any kind.
2. You need only two tools: WD-40 and duct tape. If it doesn't move and it should, use the WD-40. If it moves and it shouldn't, use the duct tape.
3. The five most essential words for a healthy, vital relationship are "I apologize" and "You are right."
4. Everyone seems normal until you get to know them.
5. When you make a mistake, make amends immediately. It's easier to eat crow while it's still warm.
6. The only really good advice that your mother ever gave you was: "Go! You might meet somebody!"
7. If he/she says that you are too good for him/her - believe them.
8. Learn to pick your battles. Ask yourself, "Will this matter one year from now? How about one month? One week? One day?"
9. Never pass up an opportunity to pee.
10. If you woke up breathing, congratulations! You have another chance!
11. Living well really is the best revenge. Being miserable because of a bad or former relationship just might mean that the other person was right about you.
12. Work is good, but it's not that important.
13. And finally; Be really nice to your friends and family. You never know when you are going to need them to empty your bedpan.
