Jesus Is Watching

A burglar broke into a house one night. He shined his flashlight around, looking for valuables; and when he picked up a CD player to place in his sack, a strange, disembodied voice echoed from the dark saying, "Jesus is watching you." He nearly jumped out of his skin, clicked his flashlight off, and froze. When he heard nothing more after a bit, he shook his head, promised himself a vacation after the next big score, then clicked the light on and began searching for more valuables. Just as he pulled the stereo out so he could disconnect the wires, clear as a bell he heard, "Jesus is watching you." Freaked out, he shined his light around frantically, looking for the source of the voice. Finally, in the corner of the room, his flashlight beam came to rest on a parrot. Did you say that?" he hissed at the parrot. "Yep," the parrot confessed, then squawked, "I'm just trying to warn you." The burglar relaxed. "Warn me, huh? Who in the world are you?" "Moses," replied the bird. "Moses?" the burglar laughed... "What kind of people would name a bird Moses?" "The kind of people that would name a Rottweiler Jesus."

The Mommy Test

I was out walking with my 4 year old daughter. She picked up something off the ground and started to put it in her mouth. I took the item away from her and I asked her not to do that. "Why?" my daughter asked. "Because it's been lying outside, you don't know where it's been, it's dirty and probably has germs" I replied. At this point, my daughter looked at me with total admiration and asked, "Wow! How do you know all this stuff?" "Uh,.. I was thinking quickly, "All moms know this stuff. It's on the Mommy Test. You have to know it, or they don't let you be a Mommy." We walked along in silence for 2 or 3 minutes, but she was evidently pondering this new information. "OH... I get it!" she beamed, "So if you don't pass the test you have to be the daddy." "Exactly" I replied back with a big smile on my face and joy in my heart.

Children Raised Right

One day a 6 year old girl was sitting in a classroom. The teacher was going to explain evolution to the children. The teacher asked a little boy: Tommy do you see the tree outside?

TOMMY: Yes.

TEACHER: Tommy, do you see the grass outside?

TOMMY: Yes.

TEACHER: Go outside and look up and see if you can see the sky.

TOMMY: Okay. (He returned a few minutes later) Yes, I saw the sky.

TEACHER: Did you see God up there?

TOMMY: No.

TEACHER: That's my point. We can't see God because he isn't there. Possibly he just doesn't exist.

A little girl spoke up and wanted to ask the boy some questions. The teacher agreed and the little girl asked the boy: Tommy, do you see the tree outside?

TOMMY: Yes.

LITTLE GIRL: Tommy do you see the grass outside?

TOMMY: Yessssss!

LITTLE GIRL: Did you see the sky?

TOMMY: Yessssss!

LITTLE GIRL: Tommy, do you see the teacher?

TOMMY: Yes

LITTLE GIRL: Do you see her brain?

TOMMY: No

LITTLE GIRL: Then according to what we were taught today in school, she possibly may not even have one!

Creation is Explained!

In the beginning, God created the Heavens and the Earth and populated the Earth with broccoli, cauliflower and spinach, green and yellow and red vegetables of all kinds, so Man and Woman would live long and healthy lives. Then using God's great gifts, Satan created Ben and Jerry's Ice Cream and Krispy Creme Donuts. And Satan said, "You want chocolate with that?" And Man said, "Yes!" and Woman said, "and as long as you're at it, add some sprinkles." And they gained 10 pounds. And Satan smiled. And God created the healthful yogurt that Woman might keep the figure that Man found so fair. And Satan brought forth white flour from the wheat, and sugar from the cane and combined them. And Woman went from size 6 to size 14. So God said, "Try my fresh green salad." And Satan presented Thousand-Island Dressing, buttery croutons and garlic toast on the side. And Man and Woman unfastened their belts following the repast. God then said, "I have sent you heart healthy vegetables and olive oil in which to cook them." And Satan brought forth deep fried fish and chicken-fried steak so big it needed its own platter. And Man gained more weight and his cholesterol went through the roof. God then created a light, fluffy white cake, named it "Angel Food Cake," and said, "It is good." Satan then created chocolate cake and named it "Devil's Food." God then brought forth running shoes so that His children might lose those extra pounds. And Satan gave cable TV with a remote control so Man would not have to toil changing the channels. And Man and Woman laughed and cried before the flickering blue light and gained pounds. Then God brought forth the potato, naturally low in fat and brimming with nutrition. And Satan peeled off the healthful skin and sliced the starchy center into chips and deep-fried them. And Man gained pounds. God then gave lean beef so that Man might consume fewer calories and still satisfy his appetite. And Satan created McDonald's and its 99-cent double cheeseburger. Then said, "You want fries with that?" And Man replied, "Yes! And super size them!" And Satan said, "It is good." And Man went into cardiac arrest. God sighed and created quadruple bypass surgery. Then Satan created HMOs.

What is Marketing?
